

MASQUE PLAYERS

AUTHORISED USERS OF Zarges 3 LADDER

The following persons have been authorised by me to use the Zarges 3 section extending ladder for the purposes of fixing, removing and adjusting stage lighting and filters, and fixing and removing stage curtains and erecting and dismantling sets. Each of them has provided me with details of their experience in the use of such ladders:

John Pratt

I am competent and have been using ladders at height for the past 40 years.
I have read and fully understood the HSE INDG455 leaflet on the safe use of ladders and step ladders.

Gary Sharman

I am competent and hold a current Professionally Qualified Person CSCS card which has assessed my understanding and risk awareness in a number of areas, including working at heights. I have read and fully understood the HSE INDG455 leaflet on the safe use of ladders and step ladders.

Gary Manning

I am competent and have been using ladders at height for the past 20 years.
I have read and fully understood the HSE INDG455 leaflet on the safe use of ladders and step ladders.

Maurice Gifford

I am competent and have been using ladders at height for the past 20 years.
My work at BT has involved considerable experience working at height
I have read and fully understood the HSE INDG455 leaflet on the safe use of ladders and step ladders.

Signed: **Gary Sharman**
(Health & Safety Officer)
